NEWSLETTER

KS2 SATs

Year 6 children will be doing their SATs in the week starting 9th May 2011.

Please could you avoid any medical appointments or absences during SATs week if at all possible as the tests have to be taken at specific times during the week. Anyone absent will not be awarded a level for that particular test. The children have been working hard in preparation for SATs week but we do not want them to worry or become over anxious. While level 4 is the expected standard for these tests it is not a pass or fail situation. Children develop at different rates and there may be almost a year's difference in age between pupils in year 6 which can impact on their attainment at the primary stage of their education. These tests will provide a snapshot of their performance on the day in a particular part of the curriculum. You will also receive a teacher assessment along with the test level which is formed over a longer period of time and which covers the whole curriculum. If you have any questions about the tests please contact Mrs. Kerton

Year 2 are also being assessed by their teacher but these will spread over a longer period of time and will be as low key as possible. Information gathered in these tests will be used to inform reports to parents later in the term.

£1 A DAY SCHOOL MEALS – 16TH – 20TH MAY
